Learn, grow, connect, and experience **Engineering + IT!**

**POWER+IT** stands for Preparing Outstanding Women for Engineering Roles and Information Technology Summer Camp! This program will be held on the Indiana University-Purdue University Indianapolis (IUPUI) campus:

**July 13-17, 2020**
9:00 a.m.-5:00 p.m.

For **rising high school freshman to rising high school seniors**, explore engineering and technology with young women your age at the Power+IT Summer Camp. Participants will have hands-on opportunities to learn if engineering or technology is for you.

Receipt of payment will hold your spot. The program fee is **$75**, which covers the cost of cinch bags, supplies, lunch, snacks, and activities.

Contact etinfo@iupui.edu or 317-274-2533, if you have any questions.
