

Undergraduate Advising Information and Deadlines for Summer/ Fall 2020 Semesters

BME UNDERGRADUATE ADVISOR INFORMATION

Dr. Steve Higbee	sjhigbee@iupui.edu	317-274-3575
Dr. Sharon Miller	sm11@iu.edu	317-278-6855
Dr. Sungsoo Na	sungna@iupui.edu	317-278-2384
Dr. Joseph Wallace	jmwalla@iupui.edu	317-274-2448

Priority registration begins March 23rd!

BME SENIORS

5-year MS/BS BME Combined Degree Program: If you are participating in the 5 year MS/BS Combined Degree Program, Sherry Clemens will be contacting you to share how you can schedule for your graduate classes in fall 2020. Dr. Julie Ji is the Director of the BME Graduate Program and primary advisor for non-thesis students. You can reach her at jjj@iupui.edu.

BS BME December Graduates: Apply for Graduation by May 15, 2020

Link to Undergraduate Graduation Application Form: <https://et.iupui.edu/students/graduation/>

BME JUNIORS

Please note that you need to meet with your BME advisor to gain permission for both BME 49100 (Biomedical Engineering Design) and any BME 500-level course, if taking as a depth elective. You will need to contact the BME faculty teaching the 500-level depth course to discuss course preparation and expectations prior to the faculty member granting permission for you to take the class.

BME 500-level Course Rotation

Schedule: <https://et.iupui.edu/departments/bme/courses/bme-595-course-schedule-rotation>

BME SOPHOMORES

If you will be taking BME 22201 and BME 22400 during the summer, you will need to discuss this with your BME advisor. Also, if you are enrolling in BME 38300, you will need to add the BME section of TCM 35900. You will receive enrollment permissions for the TCM course **after** you register for BME 38300.

Questions?? For additional information about BME scheduling, requirements, etc. see the [BME Undergraduate Handbook](#) or contact your BME Advisor. You can find your BME advisor (by student ID number) on the BME Programs Canvas site under Files > Undergraduates.

Dr. Ken Yoshida	yoshidak@iupui.edu	317-274-9714

BME SENIORS

5-year MS/BS BME Combined Degree Program:

If you are participating in the 5 year MS/BS Combined Degree Program, Dr. Julie Ji is the Director of the BME Graduate Program and primary advisor for non-thesis students. You can reach her at jjj@iupui.edu. Thesis students will report directly to their mentor for course advising. As you consider fall 2020, know that you cannot enroll in graduate classes via SIS or iGPS until your undergraduate degree is conferred **first**. Once conferred, you must also remember to provide the university with an original copy of your **final** transcript, showing the “degree conferred” date. Best practices say that you do not have one electronically sent to the university, as the graduate school prefers they be sent to each unit. eTranscripts sometimes end up in a black hole! That said, you may take an original copy to our graduate school/Anita Sale, the E&T School Recorder in UL 1170 for verification of your conferred degree.

MS BME December 2020 Graduates: Apply for Graduation by May 15, 2020. Link to Graduate Graduation Application Form: <https://et.iupui.edu/students/graduation/>

BME 500-level Course Rotation Schedule: <https://et.iupui.edu/departments/bme/courses/bme-595-course-schedule-rotation>

International Students: Please visit the [IUPUI Office of International Affairs website](#) for up-to-date information.

Questions?? For additional information about BME scheduling, requirements, etc. see the [BME Graduate Handbook](#) or contact your BME Advisor.
