

**MINOR IN ELECTRICAL AND COMPUTER ENGINEERING
PLAN OF STUDY**

ECE

Name _____ Student ID _____

Course Number	Alter Course	Credit Hrs	Grade	Comments
---------------	--------------	------------	-------	----------

Course Number	Alter Course	Credit Hrs	Grade	Comments
---------------	--------------	------------	-------	----------

I. Required Courses (18 hours)

ECE 20400		4		
ECE 26100		1		
ECE 26300		3		
ECE 30100		3		
ECE 30200 Ω		3		
ECE 36200		4		

II. Engineering Electives* (3 - 4 hours)

*Engineering Elective may be chosen from the following courses.		
3 cr	ECE 25500	Introduction to Electronics Analysis & Design
3 cr	ECE 32100	Electromechanical Motion Devices
3 cr	ECE 36500	Introduction to Design of Digital Computers
3 cr	ECE 38200	Feedback System Analysis & Design
4 cr	ECE 44000	Transmission of Information

A minimum of 21 credit hours is required. Students must take 18 credit hours of required courses (Section I) or equivalent courses. Students must take at least one Engineering Elective (Section II) or an equivalent course. A grade of C or above is required in all courses.

A student must take at least 12 required credit hours in the ECE Department at IUPUI, and cannot count more than nine equivalent credit hours toward the ECE minor.

The minor will be posted to the student's transcript concurrently with the major bachelor's degree.

Ω Students must meet with Academic Advisor before registering for ECE 30200.

Credit Hours Required = 21 Minimum

Students must apply for graduation at the beginning of their next-to-last semester. See your advisor for deadlines.
