### Meeting Minutes

- Introduction/Attendance: **We had 17 attendees this morning.**
- Dr. Bryan Hubbard, PUWL SCM: Purdue West Lafayette realignment status. **Dr. Hubbard visited this morning to discuss what is happening with Purdue-Indianapolis Construction Management Department. He reviewed with us the faculty situation, sharing of faculty from West Lafayette to teach classes in Indianapolis. Some highlights about the facilities and future campus. The department (and Purdue) may be looking for warehouse space for the purpose of creating a construction lab large enough to build a small structure inside to allow students to participate in “builds” including all the trades. This is to duplicate what West Lafayette is already doing. West Lafayette IAB called the Construction advisory board. I believe departments may combine scheduling and estimating together into one class. There is talk to bring summer classes to Indianapolis.**
- Approval of Feb 24, 2023, IAB Meeting Minutes. **Meeting minutes approved as written.**
