CONGRATULATIONS FROM THE DEAN...

On behalf of the faculty, staff, and students of the Purdue School of Engineering and Technology, IUPUI, we celebrate your dedication which has led to the degree that will being conferred upon you. This accomplishment is significant and a major step toward a life-long career focused on creativity and innovation. You have the ability to make a global impact on our society through the knowledge you have acquired while at IUPUI.

Today, the Purdue School of Engineering and Technology will be awarding both Purdue and Indiana University degrees. These degrees include 27 Associate of Science (AS), 11 Bachelor of Science in Music Technology (BSMT), 1 Bachelor of Science in Music Therapy (BSMTh), 320 Bachelor of Science (BS) degrees in Technology programs, 37 Bachelor of Science in Biomedical Engineering (BSBME), 27 Bachelor of Science in Computer Engineering (BSCmpE), 33 Bachelor of Science in Electrical Engineering (BSEE), 9 Bachelor of Science in Energy Engineering (BSEEN), 148 Bachelor of Science in Mechanical Engineering (BSME), and 18 Bachelor of Science in Motorsports Engineering (BSMSTE).

Graduate degrees to be awarded include 16 Master of Science in Biomedical Engineering (MSBME), 36 Master of Science in Electrical and Computer Engineering (MSECE), 49 Master of Science in Mechanical Engineering (MSME), 6 Master of Science in Music Technology (MSMT), 3 Master of Science in Music Therapy (MSMTh), 8 Master of Science in Cybersecurity and Trusted Systems (MSCTCS), 43 Master of Science in Technology (MSTECH), 5 Ph.D. degrees in Electrical and Computer Engineering and 7 Ph.D. degrees in Mechanical Engineering. We are also awarding 154 certificates and 10 minors.

Now that you are making the transition to alumnus, we encourage you to stay in touch with us throughout your career. Please come to visit us often. We want to hear about your accomplishments, as well as your comments about the impact your education in engineering or technology is having on your career!

Best wishes,

David J. Russomanno, Ph.D.

This graduation program should be regarded as a preliminary document, pending confirmation of all degrees. Degrees and honors will be conferred after the completion of all requirements is verified.

*Indicates students who receive degrees with honors through the IUPUI Honors College. The criteria for this distinction are 21-24 credit hours in honors work with at least a 3.3 Grade Point Average and a minimum overall Grade Point Average of 3.3.

** Indicates students in the Dual Degree Program with Butler University, Marian University, and University of Indianapolis.
